

# Shailesh J. Mehta School of Management

## GLOBAL SUMMER SCHOOL

International Relations Team

Dates: 24th Jun - 5th Jul

## Global Summer School 2019

Shailesh J. Mehta School of Management (SJMSOM), IIT Bombay is a consistently top-ranked business school in India (NIRF Rank - 5). The School of Management is engaged in preparing its graduates to respond to the business challenges by drawing on the varied intellectual resources of IIT Bombay, one of India's topmost universities, by providing an outstanding program in management education. A global management perspective for students being ever more important, our school has been engaged in expanding its international ties over the past few years. The programme combines academic and practical content in a unique way and enables leaders of tomorrow to gain valuable different aspects of management and its intricacies.

# “Doing business in India”

## Program Feature

- The group size ranges between 12 – 15 students and is expected to increase this year
- Accommodation in the student hostels which maximizes their opportunity of interaction with local students and allows them to utilize all facilities that are available at our 550-acre campus
- The Study Tour starts from the last week of June to the first week of July
- Lectures will be conducted by eminent IIT professors covering various domains of management, aided by case studies, presentations and discussions
- Industry visits in well-established organizations (8-10) in and around Mumbai. Visits will comprise of industry floor tours followed by interactive sessions with the organizations' top management
- Opportunity to visit industries like Johnson & Johnson, Tata Motors, Cummins, Siemens, Times of India, Yes Bank, Piramal and many more
- Interactive sessions with industry stalwarts and entrepreneurs from various domains
- A day-long tour of Mumbai showing the students all the city landmarks and the rich culture of the city

## Itinerary

- Global Summer School is from 24<sup>th</sup> Jun- 5<sup>th</sup> July 2019
- Includes multiple industry interactions and visits, talks from eminent professors on various management and non-management topics
- Giving students a flavour of Indian culture through visits to popular places in Mumbai

## Boarding and lodging

All the local hospitality expenses which include stay, breakfast and industry visits associated with the program are covered.
